

BBQ Charcoal – VAT Fuel and Power (VAT Notice 701/19) Information

Regarding the BBQ charcoal VAT, this is quite a unique product regarding VAT.

VAT is charged at 20% to resellers, as a wholesaler, reselling to a business, this is the rate that Homeware Essentials must charge in order to comply with HM Revenue & Customs regulations.

For a retailer selling to the end consumer, 5% VAT can be charged.

For more information, please see below statement from the GOV.UK website:
